Dear Parishioners,

### 1. Tasting in Order to See

*The readings this week highlight the importance of wisdom. But what is wisdom? And how do you get it?*

*In the world of Nazi Germany everyone in the Nazi party got a party badge. Hitler's own party badge was made of gold. To the Nazis, Hitler's badge symbolized all the things in the world most worth having. At the end of his life, Hitler gave that gold badge as a gift to Magda Goebbels and she said that it was the proudest moment of her life when he did.*

*But he gave her that gold badge in the bunker under Berlin as Germany was losing the war. In that bunker in the last days of the war, Magda killed all six of her children and herself in an appallingly misguided act of loyalty to Hitler. When the invading soldiers of the Allied armies conquered Berlin and found her body, one of them took that little bit of a gold badge from her dress and pocketed it as a souvenir.*

*Magda shows us what folly is, doesn't she? She couldn't tell the real goods, the real gold, from the fake goods, the things that glitter but are worthless. The gold badge that symbolized what Magda Goebbels lived and died for is a fitting symbol of the terrible foolishness of her life.*

*Wisdom is the very opposite. It is the ability to discern between the real goods and the shiny fakes. But among the very best of the really good things is the goodness of God. And so wisdom is the ability to see the goodness of God wherever it is to be found in the world.*

*The Psalm tells us how we get the capacity for seeing the goodness of God, so important for us if we are to live our lives wisely, and not foolishly like Magda Goebbels. We get this capacity by tasting! Taste and see that the Lord is good, the Psalm says.*

*Taste what?*

*The Gospel gives us the answer: Christ is the bread from heaven, and every person who tastes this bread will live. He will have the real goods, not the worthless fake goods; and he will see the difference between the two, because he will see God's goodness in Christ.*

*Here is the end of the story then: taste the bread from heaven and see the goodness of the Lord. Wisdom lies in this!*

### 2. Guest Speakers at All Hallows Church

## POPE'S COLUMN

### **Pope at General Audience: Never Be Slaves to Work, Only Masters of It!**

### **Reminds Faithful That Family Celebrations Are an 'Invention of God'**

*Pope Francis has warned the faithful against being slaves to work and has exhorted them to celebrate and spend time with God. He made this exhortation this morning, at his second General Audience since the summer break. Francis began a new series of catecheses, reflecting on three facets of family life: celebration, work and prayer.*

*In the story of Creation, the 78-year-old Pontiff recalled, we see that celebrations are the invention of God who rested from his labors on the seventh day.*

*"It is God himself who teaches us the importance of dedicating time to contemplating and enjoying the fruits of our labors, not only in our employment or profession, but through every action by which we as men and women cooperate in God's creative work, even in times of difficulty," he said.*

*"I speak of work, of course, not only in the sense of the job or profession, but in a more broad sense of every action with which we men and women can collaborate in the creative action of God."*

*Even at the workplace too, for birthdays, a new baby, a marriage, the Holy Father underscored, we celebrate. When we take a break from our work for these important occasions it reminds us we are made in the image and likeness of God, "who is not a slave to work, but the Lord of work!"*

*"And so we must never be slaves to work but rather its master!" he said.*

*Francis lamented how millions of people around the world, even children, are slaves to work and how human life is often put at risk for abuses of "economic profit" and "technical efficiency."*

*"In this time, there are slaves, they are exploited, slaves of work and this is against God and against the dignity of the human person!" the Pope said.*

*The Pontiff also highlighted the sacredness of prayer and quiet moments with God. During our moments of rest on a Sunday, we find God. The Eucharist brings all of Jesus' graces to our celebrations, Francis noted, such as His presence, love and sacrifice. In this way, in this way of being with us, the Lord forms us into a community, he said.*

*"Everything is transfigured by his grace: work, family, the joys and trials of each day, even our sufferings and death," the Pontiff said. The Argentine Pontiff prayed, "May we always recognize the family as the privileged place to understand, guide and sustain the gifts which arise from our celebrations, especially the Sunday Eucharist."*

*"The family is equipped with an extraordinary competence for understanding, addressing, and sustaining the authentic value of the time of the celebration," Pope Francis underscored, before adding off the cuff: "And how beautiful are these celebrations in the family. They are beautiful!"*

*The love of a*  
**FAMILY**  
*is life's greatest blessing*

*Catholic Cemeteries & Crematoria in partnership with the Southern Metropolitan Cemetery Trust (Woronora and Eastern Suburbs) have partnered and identified our wish to provide support to those who have lost a loved one through suicide.*

**Mention My Name Remembrance Service** – This service will be hosted by Bishop Terry Brady at St Mary's Cathedral on Wednesday 2 September commencing at 7pm. This service will honour and remember the names of those who have lost their lives through suicide or misadventure. A Juniper Tree of Hope will symbolically highlight and recognise those loved ones who have been lost. This service will be non-denominational and open to all in the community. Providing opportunity for consolation, reflection, solace, prayer and solidarity. It will be an opportunity to remember and not forget those who have gone. Acknowledging the impact, stigma for many who mourn after suicide.
