

Proclaiming the Word with Heart!

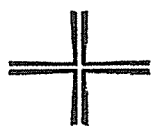

Formation & Training for Readers—2022

Did you know that even before Vatican II...

“On the day which is called Sun-day, all of us, whether we live in the town or in the country, gather in the same place. Then the Memoirs of the Apostles or the Writings of the Prophets are read for as long as time allows. When the reader has finished, the presider speaks, exhorting us to live by these noble teachings. Then we rise all together and pray. . .“

St Justin ~ Martyr c155AD
